& Two Heavy Duty Wheels
- Gives better heat retention and allows for all season cooking.
- Even cooking eliminates the need for a rotisserie. Retains natural juices.
- Long life and easy maintenance, cast iron reduces cooking temperatures because it holds heat.
- Enhances amount and quality of smoke. Eliminates flare-ups and improves heat response and distribution.
- Heat output from 200 to 600 degrees F.\* (to approx. 45,000 BTUs)  
No preset heat outputs.
- Allows you to control the flavor. Hot smoke at approx. 200 degrees F.
- Easy push-button start. No messy starters to use or buy.
- Time proven design provides trouble-free even wood pellet delivery.
- Easy to fill at any time, 10 lb. capacity.
- Easy ash and grease removal.
- Large working area with easy clean-up.
- Easy to move on any surface, and the casters lock in place.
